METROPOLITAN
WAREHOUSE & DELIVERY

Metropolitan's Robust Delivery Network

2.9M SQ FT Across 40+ Hubs

At Metropolitan, we ensure memories are delivered one piece of furniture at a time—on time, every time.

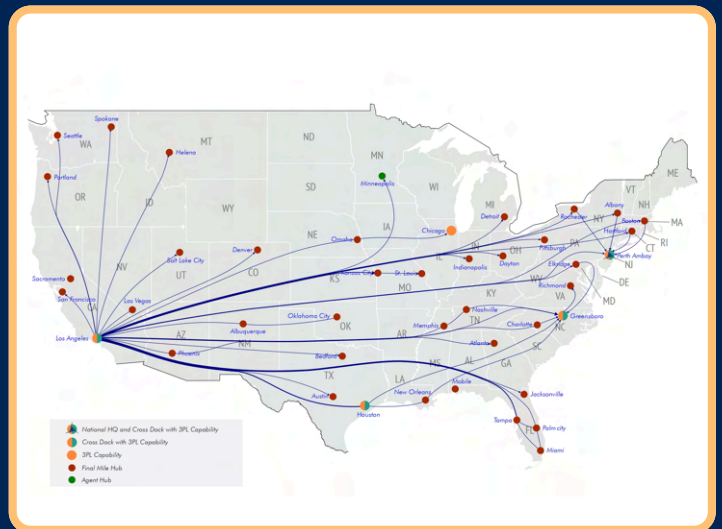

With 30+ years of experience, we specialize exclusively in the furniture industry, offering end-to-end solutions—from storage to shipping and reverse logistics.

Our 2.9M sq. ft. warehouse space across 40+ facilities uses advanced technology for optimized logistics. Strategically located centers streamline eCommerce delivery and white-glove services, ensuring efficiency and customer satisfaction.

THE METROPOLITAN ADVANTAGE

Our asset-based model with 40+ nationwide hubs ensures efficient, direct-to-client service, minimizing damage risks, and eliminating middlemen for seamless communication and operations.

At Metropolitan, B2B, B2C, and 3PL form the cornerstone of our logistics expertise, ensuring streamlined deliveries, enhanced customer experiences, and optimized warehousing solutions.

Expert Handling and Efficient Logistics: Ensuring Safe, Cost-Effective Deliveries

Dedicated linehaul and final-mile trucks ensure timely deliveries

No forklifts are used, team specializes in furniture handling using hand trucks

WHAT CAN YOU SHIP WITH US?

Packaged Furniture Items

We specialize in shipping boxed furniture, such as sofas, beds, and chairs. Our service is also ideal for well-packaged, irregularly shaped home furnishings, including rolled carpets.

Other Commodities

We ship appliances and electronics up to threshold service as long as they are in their original packaging. If you have non-furniture commodities, please be sure to ask our team, as we can accommodate specialized exceptions based on your needs.

Contact us if you are looking to ship other commodities not listed here.

PROPRIETARY SOLUTIONS FOR SEAMLESS SERVICE

Metropolitan leverages advanced proprietary solutions to streamline operations, enhance customer support, and simplify claims management.

Pinnacle Platform

A web-based order management system that streamlines shipments from quoting to billing. With XML, CSV, EDI, and API integration, it serves as a central communication hub.

Claims

A single platform for filing, tracking, and resolving claims with transparent reporting. High-volume accounts can save time and costs with the Claims Rebate Program.

Customer Service

As an asset-based company, Metropolitan eliminates middlemen for faster service. Executive Account Managers oversee KPIs, conduct reviews, and create custom reports.
